Update from Ross, Coordination on the forums with Anne Dannenberg and HPL, HEC & HHCT jointly sponsoring our series of community programs on Carbon.

Potential next carbon forums (possible tentative dates):

- a. Your carbon footprint
 - i. Perhaps HEC members {present data from the Web and other available information}
 - ii. MMU High School Chemistry kids fun facts {describe the chemistry of burning fossil fuels and wood products and the resulting chemical compounds including CO2 weight and CO2 gas volume}
 - iii. other experts?
- b. Forest CO2 sequestration (??)
- c. Ag land CO2 sequestration (Judith Schwartz?: Cows save the Planet , Justin Rich?: Burnt Rock Farm)

- Any thoughts for other segments or speakers?
- Some of these speakers are likely to charge for a presentation. Do we want to use some (all) of the HEC budget to support this?
