8:35 Moving Towards Zero Energy Workshop Series (Hinesburg invitation to collaborate) – 5 Minutes

- Any activity with Energy Workshop Series?

8:40 Carbon *Forum* Series Planning discussion - 5 Minutes

A. Current thoughts for forum content:

1. Bridging from climate change Movies, to town energy plan via individual and collective town carbon footprint.
2. This would include proposed plans and projections in Transportation, home heat, weatherization, and electricity consumption as well as generation and how each effects carbon emissions.
3. Thoughts were to hold the forum before the end of this school year.
