Campfires & Brush Burning – Permits Required

A common question is whether or not a permit is needed for backyard campfires or the burning of brush—and the answer is YES. Permits are issued by the Fire Warden – and can be issued over the phone. Please note that the burning of garbage is against the law.

If you have any questions – contact Kenny Russin. The full ordinance (titled Civil Ordinance Regulating the Burning and Disposal of Solid Wastes) was adopted by the Town of Huntington in October 2001 is available under Ordinances and Regulations.
