Tim Tinker, Jon Meachem prospective new members met with the Committee.

- Reviewed minutes/ideas generated from last meeting in August,
- Donna L. to contact Zoning Administrator for review of storage/shed for horseshoe area

Discussed process for new members to join committee, Jon has sent his letter of interest to Barb E. and Tim Tinker said he will send his letter of interest in right away. Tim to copy Paul S. so that Paul can follow up with Selectboard, stating committee's approval of new members.

Committee approved their inclusion into committee unanimously (pending Selectboard's approval) and welcomed their help and applauded their interest in improving our town recreational park.

Discussed recent vandalism to soccer field and picnic area, 4-wheel vehicle ripping up turf, discussion led to agreement to repair all wooden parking barriers and maybe add large rock/boulders in strategic places as well as cable between backstop and gazebo and cable for entrance into picnic area. Also discussed need for signage. Parking limitations for large events came up in this discussion

- Jon, Tim to measure and record material needs for repair of barrier/fence/soccer seats and amount/length and hardware needed for cables
- Paul to contact Champlain Valley Telecom to inquire about donation of poles for barrier
- Brett to discuss possibility of working with Boy Scouts on this project.
- Jon to design and produce estimate for bulletin board type information/sign at entrance of park
- Shirley to investigate possibilities regarding creating more parking spaces

Committee discussed best ways to schedule meetings all agreed that 3rd Thursday of each month works well, Paul expressed that bi-monthly meetings will work in winter time.

- Scheduled next meeting for Thursday February 19, 2015
