Town Hall Committee Meeting Minutes prepared by Aaron Worthley
Thursday, Sep 26, 2013 – meeting held at the Town Hall

Present: Linda Fickbohm, Barbara Felitti, Aaron Worthley/ Mariah Riggs and Terry Boyle

Summary of discussion:

August Minutes. Approved with 3 yeas votes, 2 abstentions

Vt. Arts Council. Discussion of additional information requested by the Vt Arts Council with grant award. Mariah will call to confirm necessary information.

VCDP application. An email was received Sep 23 from Lisa Ryan listing “threshold issues” which need to be responded to for the grant application to go forward. Considerable time was spent at the meeting discussing the items, what information we had and what needed to be collected, and who could follow-up. Terry to follow up with Bruce Rublee re. heating system. If no response from Bruce, Aaron will contact Vt. Energy, Mariah will inquire about other plumbers. Terry, Dick and Aaron will provide CV to Barbara, but descriptions are also included in the Vt Arts application. Possible “Clerk of the Works” candidates to help with Davis/Bacon requirements were discussed.

Historic Preservation Grant for roof. Application is being developed and is due Oct 7th. The Selectboard reviewed a draft at their last meeting on Sep 23rd and agree with submitting the application.

Debrief from 250th Events. All agreed that the ice cream social was a huge success. At least 150 ice cream cones were distributed. The slide show and having music also really helped to draw people in and keep them interested. Will consider similar ice cream social in conjunction with the chicken BBQ for future years.

The Port-o-let has been discontinued.
Heidi apparently has photos from Lorraine Jones.
Linda will write up an end-of-year article for the Times Ink.

Building Committee. Several members of the THC met with the Building Committee last night to walk through the building. They will provide a draft of their recommendations for THC review/proofread prior to finalization.

Meeting adjourned at 8:15pm
